## Editorial

In October a member phoned to say that he had received his magazine and did we realise that it didn't need the "large letter" stamp? I explained about some people being surcharged and put to a lot of inconvenience in the past when their local sorting office did not press down the envelope when trying to fit it through the pricing slot. As a result, we had decided to play safe. As he suggested, I am including the explanation here so that people don't think we are wasting the Section's money. From this issue onwards we will be franking the envelopes, so hopefully the problem won't arise again.

I didn't get to Crufts for the Working and Pastoral Groups day but watched it on TV. It was disappointing that there was very little Agility and NO Obedience on TV at all. However, I thought that the Sheltie Best Of Breed, Miss D Pearson's Ch. Edglonian Singin The Blues, that came second in the Pastoral Group did us proud – what a pleasure to see him being shown on a loose lead and keeping pace beautifully beside his elegant handler in a happy natural manner. Such a lovely picture – and what a contrast to the way many breeds are shown, strung up by their leads so that sometimes their front feet can hardly touch the ground.

Finally, how nice to hear of Shelties being used for the purpose for which they were originally bred – herding sheep. Lian Knight's Shelridge Saturn AW(G) (Ch. Orean Rainbow Warrior x Calambray Canelian for Shelridge) is shown at work on the front and back covers and she has written a little article about his training (on page 32).

## **Your Letters**

Just to let you know that Thomas (Lavika Land of Love) has been accepted as a Pets As Therapy Dog and we will be visiting our local Alzheimers Society group meeting.

I also wanted to say Thank You through the 'Sheltie At Work' magazine to Lorna and all that are involved in the Obedience side of the ESSC. I realise that many people put in a lot of time and effort for us to enjoy taking part in the competitions, seeing our results in the league, with the added bonus of receiving a rosette or trophy each year. This has proved to be a fun and addictive hobby for me and Thomas to get involved with.

Some news of my Shelties:

Shelridge Special Diamond (Finlo) won the Agility Points Trophy for last year for all the On Island Shows. This covers all grades and all sizes, which means that he beat all the collies. He also won the Novice Obedience points trophy, which again means that he beat all the collies. He also went up to Grade 5 in Lisburn in June.

Karmidale Just One Look (Derrey) won Best Small Agility Dog all three days of our Open Agility Show in May 2012 and Best Small Jumping Dog on two of the days.

I am looking forward to getting over for some shows on the Mainland this year.

Here is some information about my Shelties' achievements (and mine!) 2012 has been a good year for us.

My eldest competing Sheltie, Misty - Chalmoor Mystical AW(G) - has continued to compete in Agility grade 7. Two achievements of note for her during the year have been a 5th place in the Small Championship Final at the Weardale show in July and then in October 2012 she competed in the 'Small Masters' ProPlan Agility Challenge Series finals in Northamptonshire.

We were eligible for the final after winning a qualifying heat at the Scunthorpe Agility Show in August 2012. Just to qualify was an achievement in itself so I was thrilled when Misty managed to complete a clear round in the actual final. In an event that included two 'Agility Champions' and three dog/handler partnerships that have represented the Country internationally, I was absolutely delighted when the results were announced to discover that our clear round had earned us a 6th place rosette.

I am so proud of Chalmoor Mystical AW(G). On paper, all the other finalists should have been better than Misty but she went clear whilst lots of them made mistakes. 6th Place in a national Agility final! Not bad at all for a 9 year old Sheltie who was diagnosed with a heart murmur at 3 months old!

My youngster Abi - Wallastowns Abi's Jubilee - has struggled to concentrate in the Agility ring after a couple of unfortunate but very nasty experiences of being chased by large dogs in exercise areas. If she catches sight of another dog running nearby then she loses all focus on the Agility task in hand due to her fear of being chased again. However patience and perseverance have paid off and as the year has progressed she has become less distracted, to the extent that she gained enough points from clear rounds and places achieved to qualify for her Bronze Agility Warrant. Then after a few second places and one jumping win she finally won an Agility class to take her up from Grade 3 to Grade 4. This achievement is just as special to me as everything that Misty has done.

Since 2002 I have also judged at Agility shows and I was approached in early 2011 about being nominated to judge at Championship level. After passing the assessment and being approved by the Kennel Club as a Championship Judge, I was both thrilled and honoured to be able to award my first Agility CC's in May 2012 at the Nottingham ADTC Championship & Open Agility Show. This was certainly the highlight of my Agility judging career so far and an experience that I hope to have the opportunity to repeat again in the future.

I would like to thank the Committee of the Working Section for our lovely plate given to commemorate the Agility Championship of OBay Itz Got Pizzazz. It is a beautiful way to remember Zaz's championship.

I wish all the members of the Working Section the best of luck for 2013.

**Working Section A.G.M.**  
**at Grazeley Village Hall, Reading**  
**Sunday, 24th February 2013**

I was delighted to see new members attending the A.G.M. this year. The business of the meeting took a while as a lengthy discussion was had on our events, and what we should do to include more members in being able to apply for our trophies. You will find a copy of the Chairman's, Treasurer's and Trophy Secretary's reports, as well as news on our events for the year in this issue of 'Sheltie at Work'.

After the meeting finished, it was the photos and lunch. After all that, it was time for the games. Everyone and their Shelties had fun, with a lot of laughter. We just seemed to get into the games and it was time for home.

Tea, coffee and biscuits were available during the day. There were some very nice prizes for the raffle. THANK YOU ALL for your help and support.

**Donations to the Working Section have been received from the following:**

Wendy Ashby, Beryl Forge, Mary Glover-Guest, Roz Grey, Barbara Grounsell, Pauline Hannam, Indira Helsby, Bridget Jamieson, Valery Johnson, C LePoidevin, Janet Kingsley, Deirdre Matthews, Helen Mordaunt, Brian Olby, Becky Parks, Clare Parks, Joanna Pidduck, Christine Powell, Sheila Ross, Wendy Rutland & Jo Spencer.

It is very kind of you and much appreciated.

Lesley Lubbi, Hon. Secretary

## Chairman's Report

Welcome to you all and thank you for coming, your support is much appreciated.

Unfortunately I start this report with some very sad news. Bill Prescott passed away at the end of last year. Bill with his late wife Franky worked really hard for the Working Section, being on the Committee for as long as I can remember. (There followed a minute's silence in remembrance of Bill.)

The Section's members have had a very successful 2012. Please see the Publicity Officer's reports. As so many of our members with their Shelties have achieved so much in all of the disciplines throughout the year, it makes it far too many to mention in this report. We are so proud of all your achievements; BUT PLEASE PLEASE remember to keep us updated with your successes. Well done to you all on keeping the Sheltie flag flying and good luck to all for the coming season.

This year all of our events made a small profit. But I must stress the success of the Agility Show was due to kind donations, and Sheltie Camp to the Committee for giving up their weekend for free to do all the training so that we had no trainers' fees. The Obedience Training Day also made a profit as the trainer's van broke down on his way to the hall, and I had to stand in as everyone was ready and waiting for him.

As you know, the main body allow the Working Section to hold Obedience classes at their February Open Show. The class entries are extremely low, and I have been asked to find out from our members what they would like them to do to improve this situation. You will now be allowed to enter three classes in line with the Kennel Club regulations. That is your lowest class plus two others.

- 1: Would you like one location instead of moving it around?
- 2: Would it be better at a different time of the year?
- 3: Or have you any other suggestions?

Please let us know. It is likely that the Obedience classes could be dropped if entries do not improve.

When one of our members makes their first Sheltie into a Champion they can apply to the Parent Body for the Seys Medal, as long as they were a member of ESSC in the years that they obtained their three CCs. But as this is just for their first champion, we have decided to give them a Champion's Plate which will have the year they were made up, a picture of their dog and the dog's name.

The Parent Body are holding a Club Centenary Show on 7th June 2014 at K.C. Building Stoneleigh. The theme of course will be 1914. There will be breed classes, the Section will be doing Obedience and Agility fun classes with a Heelwork to Music display as well as a stall. We hope as many members as possible will be able to come. If you have any ideas what else we can do, please let us know.

The Committee put a lot of time and effort into running the Section. So my thanks go to them for all their work through the year and to Lesley as Secretary for liaising with and organising all parts of the Section. She spends a terrific amount of time and effort behind the scenes with the following people to ensure everything runs smoothly:

Trisha Harding for all the effort it takes producing the 'Sheltie at Work' magazine, and help at Camp.

Val Winfield for keeping the Website updated.

Graham Kersey our Chief Steward at the ESSC Open and Championship Shows.

Pat Thompson for keeping the Obedience League Website updated with the results.

Kerry Murrey for organising the Crufts Teams.

Pam Albrow for soup and help at Sheltie Camp.

Rachel Cresswell for the Agility League Website which she has run for us for a number of years. Rachel has decided to give the league up. The Section thanks you Rachel very much for all your hard work in the past. It was much appreciated.

We also thank Jeanette Maggs for volunteering to take the Agility League over for the Section, and also for your help at Camp.

Without all of your help the Section could not run.

This concludes my report,

Peter Lubbi, Chairman

## Champion's Plates

The first two Champion's Plates presented for Agility went to Amy Lawson with Ag.Ch. Millie On to One and Bernadette Bay with Ag.Ch. Obay Itz Got Pizzazz.

## Obituary - Bill Prescott

The Section had such sad news to end the year as Bill Prescott passed away. Many of you will remember Bill and his late wife Franky who helped run the Working Section for years.

Peter and I had known them since 1969 when they first introduced me to the Sheltie. That was when Peter took our first Border Collie Shane training and their old Sheltie Lisa decided that my lap was for her every week. She was determined she would watch what was going on in comfort. I fell in love with the breed from then on, and knew they were for me. I will also be grateful for all the help and advice that I received from them both in those days about this very special breed. I will always have such fond memories, so many happy years ago.

Our thoughts are with his family at this very sad time.

# Treasurer's Report

Year ending 31st December 2012

I am pleased to be able to report that the Section has had a successful year, returning a surplus of £442.

As always, thanks must go to all who have organised, helped, volunteered and judged at our events. It is safe to say that the main reason the Section has managed to run without making a loss for the last couple of years is thanks to the voluntary efforts of trainers at Sheltie Camp and training days and kind donations received from our members.

Unfortunately the financial prospects for the Section's accounts this coming year are not so positive. Following the recent reductions to the number of events and various efficiencies, there is little further that can be done on financial grounds alone. It is predicted that the Section will return to making a loss this year and further thought will need to be given to the structure of some events.

Obviously the running of the Section is not about making a profit. It is for the benefit of the members and therefore making a loss should not be seen as a bad thing as long as the losses are managed, sustainable and are sustained for the benefit of our members. These are the questions that will need to be given attention over the coming year.

In conclusion, the auditor was happy with the state of the Section's finances for 2012.

Matthew Burdett  
Hon. Treasurer

The Watch Trophy for the Best Groomed Sheltie in Novice was won by Mrs J Bull with Mendipmist Summer Sun.

Some people have notified me of their dogs' achievements and other details I have culled from the reports in 'Dog Training Weekly'. There will obviously be some I have missed, and for this I apologise.

## **ESSC Open Show Results**

**Saturday 9<sup>th</sup> February 2013**

**Hutton Moor Leisure Centre, Weston super Mare**

**Judge - Pat Thompson**

**Ring Steward – Sue Reed**

**Scoreboard – Lesley Lubbi**

Thank you so much to Lesley and Peter Lubbi of the ESSC Working Section for inviting me to judge the Shelties again at Weston super Mare. Last time I judged them here, only a few trusty souls turned up as there was snow on the ground but even this time, though the weather was reasonable there was still quite a small entry. Maybe it's the part of the country (as they move it around) or maybe it's the time of year (or maybe the judge!)? Nevertheless I thoroughly enjoyed my day and the company, not to mention the lovely Shelties. It was a bit heart wrenching at the same time judging them, as my lovely 'Ticket' girl Dusky is now retired and I no longer have a Sheltie to work. That must be rectified!

Lesley and Peter have the organisation of the Obedience down to a fine art, from table stewarding, stay stewarding and all the other stewarding, and such pleasant company too. Thank you so much for making my job so easy, for my voucher at the end of the day and also for Sue's bottle of wine. That was a really nice touch. Do ask me again if you are allowed! A nice buffet lunch too, thank you.

Thanks also to my steward Sue Reed who was also as efficient as ever, in expertly guiding everyone around the ring not putting a foot wrong, despite there being so many different classes.

As I have already said it was a small entry but a couple of handlers with very promising dogs that I hadn't met before.....

### **PRE BEGINNERS 1 entry**

1<sup>st</sup> Place withheld

#### **2<sup>nd</sup> Mrs R. Cherith - RAMAVALE TWIST AT SUNSET**

First time in the ring and what super attention from Ollie! This little chap is firstly an Agility prospect but I urge you to enter him in some Obedience competitions as I'm sure he will do well. Only not awarded first place as he had no competition and the handler who had never competed before and actually would like to enter him in this class again and compete properly against other dogs. Hard to tell if he would have won if there had been other dogs to compete with! Very well done. I suggest you get teaching him to retrieve now! **Lost 6 ½**

### **BEGINNERS 3 entries (2 absentees)**

#### **1<sup>st</sup> Mrs J. Howe - SHELTHORN BLUE DAZZLE**

This lovely dog has already won one Beginners at Open level and I'm sure he will be winning out of the class very soon. Very tidy heelwork and neat set exercises. No problem with the stays either. Very well done. **Lost 7**

**NOVICE 9 entries ( 1 absent)**

**1<sup>st</sup> Mrs J. Howe - SHELTHORN BLUE DAZZLE**

Zak did an even better round in Novice than in Beginners. What a good day for you. I look forward to receiving your results for the Obedience League this season and hearing that you are making great progress through the classes. Great handling too, just watch out for a tight lead on occasions. **Lost 3 ½**

**2<sup>nd</sup> Mrs M. Horsfield - TARASOL BLUE DIAMOND P.BegEx**

The blue one for Blue today! Dropped the dumbbell or would have lost fewer marks. I thought he worked very nicely Margaret and what is difference it makes to your handling when they are going well. You've got to believe in them more and stand up and get on with it but I've told you that before! **Lost 6**

**3<sup>rd</sup> Mrs M. Horsfield - TARASOL SOLITAIRE BegEx.**

Solo just half a point behind his brother today. **Lost 6 ½**

**4<sup>th</sup> Mrs M. Horsfield -TARASOL SUNSHINE**

Nice set exercises but lacking confidence in the heelwork on this occasion. **Lost 7 ½**

**5<sup>th</sup> Mrs M Horsfield - TARASOL MOONLIGHT SHADOW P.BegEx**

Again nice retrieve and recall but drifting in the heelwork cost most of the marks. **Lost 9**

**6<sup>th</sup> Mrs M Horsfield with SHADED LADY OF OLDLAND AT TARASOL**

Lost the run off with her son for this place. Such a sweet little dog. She must be very proud of her boys! **Lost 9**

**The Watch Trophy for Best Groomed Sheltie in Novice was awarded to Mrs Jean Bull with MENDIPMIST SUMMER SUN**

Jean valiantly had a go at the class but unfortunately had no retrieve. Nicky did manage his stays perfectly though. Well done Jean!

## **TEST 'A' 6 entries**

**1<sup>st</sup> TARASOL BLUE DIAMOND P BegEx**

**2<sup>nd</sup> TARASOL SUNSHINE**

**3<sup>rd</sup> TARASOL MOONLIGHT SHADOW P Beg Ex**

**4<sup>th</sup> SHADED LADY OF OLDLAND AT TARASOL**

**5<sup>th</sup> TARASOL SOLITAIRE Beg Ex**

A clean sweep by **Margaret Horsfield** and her dogs - It's really difficult, I know, when you first go into Test A as you are so conscious of giving away body signals but it will become more natural as you get used to it. It was interesting to note how well Margaret's dogs did when she was giving them no help, which goes to show they don't really need as much as you think you are giving them Margaret! I did make a note that they all need more work on their left turns (in Novice as well) and you need to look where you are going and walk in a straight line! Generally good on scent although Solo made a bit of a meal of it and no problems with stays at all. You must have been exhausted at the end of the day especially as you weren't feeling well. Hope you are better now and good luck this season.

Just a mention for **Lorna Gibbs with Beckandfern Blackjack** who did a training round. I think Drummer has really improved Lorna, I do hope he continues in this manner as you've worked really hard with him and it shows. His heelwork is really lovely when he settles down and isn't worrying about something. He certainly has all the exercises in there and hopefully when he's more confident still, you'll be showing them off properly!

## **TEST 'B' 2 entries 1 absent 1 withdrawn**

**Pam Albrow and Shelridge Black Pearl** came and did a training round in this class as they didn't feel quite ready to compete properly. A good effort on the HW at all paces but couldn't see the sendaway today. It was a confusing venue however and although I tried to put it in an area where it wasn't very 'busy' there were lots of lines on the floor and I think it confused her. Good luck with her Pam!

I look forward to receiving all the results for the shows this year for the Working Section Obedience league. Good luck everyone!

Pat Thompson

# **Sheltie Obedience Training Day**

**November 18th 2012**

**By Miss Darcey the Dellaph Sheltie**

PROTEST – it's a Sunday – it's dark outside and my Mum says it is time to get up. I thought all the shows/early starts were finished for the winter !! Hmmm – no brekkers means a car journey. Wonder where we are going?

We've arrived – people – Shelties – lots of them – looking like good fun! Mum says it is Sheltie Training Day with Keith Gwillim. I think I am going to enjoy this.

Near Disaster! Lesley and Peter Lubbi were on their way when they received a message from Keith saying his transport had broken down on the motorway and he can't get to Grazeley.

PETER TO THE RESCUE! They head back home to collect Peter's training equipment and hasten to the venue.

Once all the humans had refreshed themselves with coffee and biscuits, we Shelties were ready for the "off".

Peter put out two lines of cones down the hall, some distance apart and we had to go up and down the lines weaving across from one cone to another. That was fun and got us all turning and attentive as we criss-crossed the room. I liked that exercise – a new variation on weaving for me.

We did some stays with mixed results – I decided I would rather have a "rest" during the sit stays !!

We did a variety of exercises throughout the day with motivation being the focus, encouraged by rewards (the more the better I say) and use of the lead as an extra aid, NOT as a check.

Use of voice was different for each dog and command and all us Shelties reacted well to that – me included. Throughout the day Peter stressed the importance of motivation in training and breaking the exercises down into small segments.

There were 9 Shelties working with 8 handlers and we were of very mixed abilities. Some handlers were far more experienced than others, whilst some had newer young dogs they were training.

My Mum and I asked the other handlers what they had learnt from the day :

The way Peter adapted to all levels of handlers and dogs

Distraction work with play was good.

It was confidence boosting.

Stress on acceleration/deceleration during heelwork which keeps the dog having to pay attention and think what it is doing.

Peter was voted "Saviour of the Day". He kept us all interested and we hardly stopped all day.

**THANK YOU – THANK YOU – THANK YOU PETER.**

Thank you also to everyone who helped and organised our day.

I learnt that I have got to pay attention and NOT think I know how to do everything my way. BUT I learnt that it is FUN – FUN –FUN

N.B. Note from my Mum, Pat Townsend:

Apart from Keith not being able to come along, the only other sad thing was that more handlers and dogs had not taken advantage of this opportunity to improve their training skills. Peter covered all exercises of obedience at all levels. We all learnt from the day.

All of those who did not attend, you missed out on a truly worthwhile day.....

# **“Sheltie Camp” Training Weekend 2013**

**Heelwork to Music (Saturday Morning)**

**Bronze or Silver Good Citizen (Saturday & Sunday Lunch Time)**

**Fish & Chip Supper (Saturday Evening on Site)**

**Rally O (Sunday Morning & Sunday afternoon)**

As you can see from the list of disciplines above, we are following the same format as in previous years’ training weekends. All of our trainers have been chosen for their understanding approach to the training of Shelties, and all have had first hand experience with the breed and the discipline they will be instructing.

**Agility:** This will cover basic training with jumps, weaves and contact equipment.

**Obedience:** This will cater from the pet dog and basic obedience up to Test ‘C’. With Heelwork, Recalls, Retrieve, Scent, Sendaways and Stays.

**Working Trials:** This will cover basic training on how to start training a fun search, and tracking.

**Heelwork To Music:** This will cover the eight Heelwork positions for Heelwork To Music plus moves and poses for Freestyle – a great start to get you dancing.

**Rally O:**

**Sunday morning** will be based on Talking Dog Rally Obedience, this will cover all Level 1 signs, plus the chance to practice an example Level 1 course.

**Sunday afternoon** will be based on KC Rally, covering Level 1 signs, once again with the chance to practice an example Level 1 course.

**Bronze or Silver Good Citizen:** The Working Section will hold the Bronze and Silver Good Citizen tests if there is sufficient response. Each dog that participates can enter either the Bronze or Silver test, but cannot do them both.

**Fun & Games:** Games and activities for you and your dogs to enjoy.

You can have a go at all of the above disciplines or as few as you want, the only criteria is that you and your dogs enjoy yourselves.

The cost will be:

Optional Saturday Supper	£8.00

Please bring your own glass, knife, fork, spoons (desert and soup) as we will be having our supper on the venue again this year.

**Handlers are reminded that instead of paying to work two dogs, you may work more than one dog but only one dog per exercise or session.**

Other breeds will be welcome to attend Camp (though not to work) but must be kept under control.

The training will be from 9.30 am to 5.00 pm each day with a break for lunch. We will not be having formal stops for coffee or tea but you are more than welcome to bring your own drinks as required.

Please bring your own chairs, sunshades, wet weather gear and refreshments.

We will have a gazebo on site available for training should the weather be inclement or for shade if too hot.

There will be a Raffle, so if you have any suitable items, they will be very welcome.

The trophy for the best-groomed dog will be awarded after lunch on Sunday.

Free camping is allowed on the site from 5 pm Friday evening to Sunday evening. There are various B&B facilities in the area and full details can be obtained from the Guildford Tourist Board.

Dogs can be exercised on the training field but please pick up and use the sacks, which will be provided. If you are camping there are some lovely walks in the locality.

## **Herding with a Sheltie**

I enjoyed “working” with my Shelties; through the working relationship we bond and understand each other better. Away from Agility, I also spend time trying out other sports such as Flyball, Dash ‘N’ Splash and Herding.

My first Sheltie Sing had a natural herding instinct. As a young puppy, he dived into a pond on Wimbledon Common to herd the ducks! Another occasion, he tried to herd the wild ponies on Dartmoor! Colin and I were worried that one day a farmer might shoot him if he carried out his herding activities in public, so we had to discourage him.

A couple of years ago, I got the chance to go to a “Herding Instinct Seminar” in West Sussex with the internationally renowned handler Ros Edwards. I had 6 year-old Sing and 2½ year-old Saturn with me that day, they were the only Shelties there. Ros explained that Border Collies and Shelties herd in different ways, perhaps due to their difference in size. Border Collies herd sheep by crouching down to the ground, while Shelties stand at their usual height. The sheep naturally retreat from the shepherd and the dog, and by managing the dog’s position, the shepherd can achieve control over the flock of sheep. Both Sing and Saturn have good left and right commands and they understand “down” very well, so I found them easy to manage.

We started taking turns of 15 minutes each with the sheep. The initial objective was just to introduce the dog to the sheep and walk slowly around the pen with the dog pushing the sheep around the perimeter. Surprisingly most dogs found this task difficult; some dogs weren’t interested in the sheep at all, while others got overexcited and wanted to chase them, but Ros kept a careful control.

Saturn was much more interested than Sing and from the moment I took his lead off, he seemed to know what to do. He knew naturally not to chase or frighten the sheep. He was easily able to push the flock around the pen. Saturn kept a close eye on the sheep and whenever one of them split away, he was quick to go after it and bring it back to the flock.

When we lived in London, there was no way we could train and practice herding properly. A farmer advised me not to train the dogs to herd if I was not prepared to work them, as once a sheepdog has been trained to herd, he needs to work; and it can also make walking in the countryside difficult if he wants to herd all the time.

We recently moved to a farm with sheep and horses. The Shelties are in heaven, especially Saturn. He truly is a sheepdog. He has been helping to move a big flock of sheep around the farm. I am very proud of him.
